keep your hands clean

hygienic  
snacking

don't touch!  
snacks remain fresh and clean

The SNAGGER is the world's first hygienic snack dispenser with portioning function for commercial snacks such as peanuts, cashew nuts, chocolate lentils and much more.

The snacks inside stay fresh and your hands are always clean while snacking. The SNAGGER in a stylish design not only fits perfectly in the modern office workplace, but also inspires with a new snack experience at home while gaming or on the couch.
